Met with V-President yesterday and going to meet with Tiger, Ex. Dir this morning before attending the tech team meeting.

Looking at some sites this afternoon.

Going well. Miss these visits.

## Indianz.Com > Native Sun News: Oglala Sioux Tribe vows to protect sacred sites

The Oglala Sioux Tribe filed a petition May 26, indicating it will continue to fight tooth and nail against the Dewey-Burdock uranium mine and mill proposed in the underground water tables 50 miles upstream from the reservation.
